

## Electric Water Heater Rebate Application

The Glacier Electric electric water heater rebate is available to GEC members who install qualified high efficiency electric water heaters in their residence. The rebate amount varies by size of water heater and warranty.

Member Name \_\_\_\_\_ Account Number \_\_\_\_\_

Service Address \_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

**Please check the box next to the electric water heater you purchased.**

- 80-85 gallon, energy factor .92 or higher, 20 year warranty - rebate \$75
- 65 gallon, energy factor .94 or higher, 20 year warranty - rebate \$70
- 75 gallon, energy factor .92 or higher, 20 year warranty - rebate \$60
- 50 gallon, energy factor .94 or higher, 20 year warranty - rebate \$45
- 80 gallon, energy factor .91 or higher, 0-19 year warranty - rebate \$45
- 65 gallon, energy factor .91 or higher, 0-19 year warranty - rebate \$45
- 50 gallon, energy factor .93 or higher, 0-19 year warranty - rebate \$25

Did you switch from a gas to an electric water heater? \_\_\_\_\_ YES \_\_\_\_\_ NO

**You must submit this completed rebate application and a copy of your receipt indicating the manufacture name and model number of the water heater that you purchased.**

I certify that the water heater was installed in the Glacier Electric service territory and that I am a Glacier Electric Cooperative member. I will allow a representative of Glacier Electric or Bonneville Power Administration to verify installation of heater.

Member Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Rebate will be credited to your GEC account, listed above, after a Glacier Electric representative has verified that the water heater does qualify.  
Allow 6-8 weeks for credit to be applied.
